Dear Sponsor:

The Board of Continuing Legal Education, through its Accreditation Committee, has approved the referenced CLE activity. Any North Carolina attorney attending will receive 17.00 hour(s) of CLE credit, of which 0.00 hour(s) \* will be available to satisfy the substance abuse/mental health awareness requirement, 3.00 hour(s) will be available to satisfy the professional responsibility/ethics requirement, and 14.00 hour(s) will be available to satisfy the general requirement. Please note the sponsor and course numbers above. Identification numbers should accompany attendance, payment, and other references to this course.

As a reminder, North Carolina requires 2 hours of ethics and 10 hours of other approved activities annually; every third year, we require one additional hour of ethics credit dealing specifically with substance abuse and/or mental health issues for attorneys. Credit is based on a 60-minute hour. Activities that are primarily social in nature are not approved.

As a sponsor of this program, you are reminded of your obligation to transmit to the Board, within 30 days after your presentation, an alphabetical list of North Carolina lawyers, with state bar numbers, in attendance; you should also submit any changes in content, faculty or timing that are substantially different from previous submissions. If you are sponsoring a course with concurrent sessions, please advise us of the specific number of credit hours that each attorney attended.

Payment of the North Carolina State Bar or sponsor fees should accompany attendance reports. The fees are not paid by the sponsor when an approved activity is offered without charge to attendees and/or when the sponsor is headquartered outside North Carolina and the event is held outside North Carolina. In the latter case, payment of the fee by the sponsor is optional. The fee is \$3.50 per credit hour per attorney. Example: 6 hour class x \$3.50 = \$21.00 per attorney x 7 attorneys = \$147.00.

Thank you very much for your attention to our requirements.

Sincerely,  
Loriann Nicolichia,  
Accreditation Coordinator

**\* No partial credit under 60 minutes may be given for the substance abuse & technology component of a CLE activity.**
