Dear CLE Provider:

Thank you for submitting **Public Investors Arbitration Bar Association's** application to accredit an individual CLE course. The Board has reviewed it and received the \$50.00 application fee.

**Application Approved**

Your course entitled **PIABA 18th Annual Meeting** beginning **10/29/2009** and ending **10/31/2009** has been approved for **13** general CLE hours. For the requested professional responsibility credit(s), you must submit information directly to the Commission on Professionalism -- please see important information below.

This course has been approved for the following method(s) of presentation: **Faculty In Room With Participants.**

The same content, using an in-person presentation format (including faculty in room with participants), presented again on subsequent dates with the same or different speakers, is a separate course and must be accredited through a separate application.

**Important notice concerning professional responsibility credits – provider action required:**

The Commission on Professionalism (which must approve all professional responsibility credits) has changed its procedures. At the Commission's request, the Board no longer forwards any course information to the Commission. Instead, once the MCLE Board approves a course for general MCLE credit, **the provider must submit information directly to the Commission for requested professional responsibility credit.** Access the Commission's application for professional responsibility CLE: [http://www.ilscpp.org/applications/applications\\_overview.htm](http://www.ilscpp.org/applications/applications_overview.htm).

The Commission on Professionalism will contact you directly regarding your submission. For further information about obtaining professional responsibility credits, visit the Professionalism Commission's web site, [www.ilscpp.org](http://www.ilscpp.org).

If you do not want your approved course(s) published on the Illinois MCLE Board web site, please reply to this e-mail within 7 business days and include the following in the "Subject" line: [Provider Name], DO NOT PUBLISH

**Provider Responsibilities**

The provider must maintain a list of the participants' names for three years after the course ends. The provider must issue a certificate, in written or electronic form, to each participant who requests Illinois MCLE credit, evincing his or her attendance. Such lists and certificates must state the number of CLE hours, including professional responsibility hours, earned at that course. (Rule 795(c)(4).)

**Course Materials**

The MCLE Board assumes that each provider owns the needed rights to its course's content (including written materials) or has obtained all needed permissions to utilize that content.

**Submission of Hourly Attendance Fee by Providers Who Charge Attorneys to Attend**

Please be advised that the Illinois Supreme Court Commission on Professionalism has approved the substance of this course as qualifying for 1.0 hours professional responsibility credit.
