A course with status **GPA approval** and with CLE credit hours equal to zero means that each attorney must calculate his/her own CLE hours. To do this, add the total minutes of instruction, divide by 50, and round down to the nearest half or whole hour. Please refer to [SCR 31.07\(2\)](#) and [CLE 7.02](#) for more information.

**Definition of hours:**

- **CLE:** Continuing Legal Education. This is the maximum credit(s) allowed for a given program. For GPA approval please refer to SCR 31.07(2) and CLE 7.02 for more information.
- **EPR:** Ethics and Professional Responsibility. This is the amount that qualifies for the EPR component. Do not add this number with the CLE hour(s).
- **GALm:** Guardian Ad Litem For A Minor. This is the amount that qualifies for the GALm component. Do not add this number to the CLE hour(s).
- **GALa:** Guardian Ad Litem For An Adult. This is the amount that qualifies for the GALa component. Do not add this number to the CLE hour(s).
- **GALf:** Guardian ad Litem-Family. This is the amount that qualifies for the GALf component. Do not add this number to the CLE hour(s).
