****IMPORTANT ATTENDANCE REPORTING INSTRUCTIONS****

If you have not already done so, please furnish the MCLE Commission with a report of the Oklahoma Bar Association member attendees. This information should be submitted within 30 days of the seminar. If your seminar is being held between December 1 and December 31, your attendance report must be submitted no later than January 10 of the following year.

Our required attendance reporting templates are available in Excel, Word, or Wordperfect. You can access these templates at <http://www.okbar.org/members/MCLE/MCLEattendReport.aspx>. Please make certain that only the information requested is placed within each cell and that no cell is left blank. Your completed attendance report must then be attached to an email and sent to obamcle@okbar.org. Please include the name of your organization and the title of the program on the subject line of your email.

If the speaker(s) did not attend other portions of the program, do not list them on the attendance report. If they did attend, you should show credit only for the sessions they attended but did not speak. If your speakers are OBA members, please attach an agenda that includes the times, subjects and speakers so that we can calculate additional credit for teaching.
